

# DrRacket Version Tool

Version 8.9

May 7, 2023

```
(require version/tool) package: drracket
```

The `version/tool` library implements a DrRacket tool that

- makes the patchlevel display as a version p<math>N</math> suffix in DrRacket (though the base version reported by `(version)` is not changed);
- if enabled by the user, periodically checks whether a new Racket distribution is available for download.
